E komo mai! *Welcome*

Award-winning Executive Chef Enrique "Henry" Tariga's culinary inspiration arises from nature's bounty throughout Polynesia, Asia, and right here at Mā'alaea Bay. Born in the Philippines, his family grew all of their produce and raised livestock in their backyard to create flavorful meals, including his own sauces and spices, for their family gatherings. His native Filipino parents ignited his passion for the art of cuisine as a form of self-expression.

Upon arriving in Hawai'i, his culinary mentors recognized his innate enthusiastic approach. They encouraged him to build upon the fresh, natural flavors of the day's harvest to draw the exquisite flavors of each ingredient. His culinary innovations awarded him the James Beard Foundation Rising Star Award. He puts his culinary magic to work on ordinary ingredients, turning them into the extraordinary.

With his commitment to a sustainable Maui, Chef Henry hand selects fresh fish from Mā'alaea Harbor's local fishermen, grass-fed protein from island ranches, and harvests canoe crops from local farmers.

Working with unique island flavors has helped Chef Henry evolve within his profession, developing a culinary style with a focus on fresh, local, seasonal ingredients. Chef Henry is innovative, yet stays true to Hawaiian culture to provide an unforgettable dining experience here at Seascope restaurant.

By dining at Seascope Restaurant today, you are supporting our island's sustainable future. For that, we say mahalo nui loa — thank you very much.
