Who We Are

MAUI OCEAN CENTER, THE AQUARIUM OF HAWAI'I

Since opening our doors in 1998, Maui Ocean Center has drawn visitors of all ages from around the globe to discover Hawai'i's undersea world in a captivating and educational setting. Aptly known as "The Aquarium of Hawai'i," we faithfully replicate the natural ocean ecosystem for visitors to encounter animals found in the waters surrounding Hawai'i (many of which are found nowhere else in the world) and learn about the close relationship that exists between Hawaiians & the Sea.

Maui Ocean Center proudly showcases one of the world's largest collections of live Pacific corals throughout our 60-plus exhibitions. Learn to live Ocean Aloha from our team of Ocean Experts, and engage your senses through interpretive displays, outdoor touch pools, and a 750,000-gallon Open Ocean exhibit complete with a 240-degree view acrylic tunnel. Our aquarium is designed to show visitors the wonders of Hawai'i's marine life while creating a deep understanding and appreciation of the environment and local culture.

Living Ocean Aloha

THE AQUARIUM OF HAWAI'I

WHAT IS OCEAN ALOHA?

Ocean Aloha encompasses our love for our ocean and our dedication to protecting its creatures. We want to be able to show our great-grandchildren the wonders of the undersea world, which is why we live Ocean Aloha — to conserve marine life for our future generations.

MISSION:

To foster wonder and respect for Hawai'i's Marine Life.

All animals at Maui Ocean Center are meticulously collected and cared for by an expert team of marine biologists, divers and aquarists. Collection is conducted under strict permits with the Hawai'i State Department of Land and Natural Resources (DLNR), Division of Aquatic Resources (DAR), and under the guidance of Hawaiian cultural advisor, Kahu (caretaker) Dane Maxwell.

Maui Ocean Center respectfully complies with the County of Maui ordinance prohibiting the exhibit of cetaceans (whales and dolphins). Instead, we offer immersive interactive displays in the Humpbacks of Hawai'i Exhibit & Sphere.

"FUN, FUN, FUN, FUN! NEED I SAY MORE?" ●●●●●

Maui Ocean Center is a must see for visitors to Hawai'i. It is an especially wonderful place to take children. I could hear one toddler, who was making pre-verbal sounds of awe. She was so excited!!!

"VERY NICE AQUARIUM" ●●●●●

This is a very nice aquarium with the most colorful fish, just beautiful. The tunnel was our favorite and saw the largest Stingray ever. - *From Independence, Oregon*

"GREAT PLACE FOR A BREAK THAT'S OUT OF THE SUN" ●●●●●

Great place to learn about the local fish and coral. Oh by the way, did I mention it's air conditioned. My daughter went crazy for all the different fish and loved the water tunnel where the fish were all around and so close. - *From Kyoto, Japan*

Outreach Inspiration & Education

FOR MAUI NUI VISITORS & OUR COMMUNITY

Our Destination

The Maui Ocean Center is located on the coveted tropical island of Maui, part of the Hawaiian Islands in the North Pacific Ocean. This remote archipelago of 132 volcanic islands, atolls, reefs, shoals, and seamounts stretches more than 1,500 miles. For centuries, the ocean has served as a wellspring for Hawaiian cultural practices, values, traditional knowledge, and a source of renewal and recreation.

With a Hawaiian sense of place, the Maui Ocean Center brings the abundance of tropical marine life and distinctive, endemic species up close in realistic exhibits that render their ocean home. We are proud to exhibit one of the largest and most magnificent living Pacific coral displays in the world, including rare and endemic species found only in Hawaiian waters.

Our Purpose

Our mission is to foster understanding, wonder, and respect for Hawai'i's marine life *(E paipai i ka 'i'ini e ulu ai ka 'ike ku'una Hawai'i e ola mau ka nohona moana).* Maui Ocean Center was founded by Coral World International in 1998. Our company's vision has remained steadfast – to provide access for everyone to the beauty of the oceanic realm. Coral World International has more than 50 years of devoted ocean knowledge and experience around the globe, making us the "Ocean Experts." We bring together mission-aligned government, non-profit and private organizations to partner for the benefit of our ocean, our community, and our collective future. We believe it is everyone's kuleana (responsibility) to protect our seas.

Our Ocean Experts are highly recognized marine biologists, ocean authorities and marine life enthusiasts with an innate passion for marine life and a respectful connection to our host Hawaiian culture. Through mesmerizing encounters and enriching experiences, our award-winning Aquarium of Hawai'i inspires all to *Live Ocean Aloha™.*

Collaboration For Regenerative Tourism

We align ourselves with like-minded collaborators; Those that are committed to sustainability by educating visitors and residents on marine conservation, Hawaiian culture, and our island community. By integrating enriching experiences that connect to different learning styles (dynamic visuals, tactile exhibits, auditory opportunities, interactivity) we are fostering of Ocean Ambassadors.

We will create a customized experience that encourages social responsibility and environmental stewardship. During this process we take into account: your vision • mission • unique destination Hawaiian cultural practices • values • sustainability practices • guest demographics • and more

AWARD-WINNING RESTAURANT

E komo mai! *Welcome*

Award-winning Executive Chef Enrique "Henry" Tariga's culinary inspiration arises from nature's bounty throughout Polynesia, Asia, and right here at Mā'alaea Bay. Born in the Philippines, his family grew all of their produce and raised livestock in their backyard to create flavorful meals, including his own sauces and spices, for their family gatherings. His native Filipino parents ignited his passion for the art of cuisine as a form of self-expression.

Upon arriving in Hawai'i, his culinary mentors recognized his innate enthusiastic approach. They encouraged him to build upon the fresh, natural flavors of the day's harvest to draw the exquisite flavors of each ingredient. His culinary innovations awarded him the James Beard Foundation Rising Star Award. He puts his culinary magic to work on ordinary ingredients, turning them into the extraordinary.

With his commitment to a sustainable Maui, Chef Henry hand selects fresh fish from Mā'alaea Harbor's local fishermen, grass-fed protein from island ranches, and harvests canoe crops from local farmers.

Working with unique island flavors has helped Chef Henry evolve within his profession, developing a culinary style with a focus on fresh, local, seasonal ingredients. Chef Henry is innovative, yet stays true to Hawaiian culture to provide an unforgettable dining experience with Seascape at Maui Ocean Center.

A note from our Executive Chef

By dining at Seascape Restaurant today, you are supporting our island's sustainable future. For that, we say mahalo nui loa — thank you very much.

CONTINUED

DISPUTE RESOLUTION: The parties agree to use their commercially reasonable efforts to informally and timely resolve any dispute concerning any matter related to the Agreement by presenting the dispute to senior representatives of each party for their discussion and possible resolution in the order set forth herein; provided, however, a dispute relating to infringement of intellectual property rights shall not be subject to this provision. If within thirty (30) calendar days after submission of a disputed matter in accordance with this clause, the parties are unable to agree upon a resolution of such dispute, then either party may give notice to the other party of its intention to pursue arbitration or litigation. Arbitration of disputes (if selected by the filing party) arising out of or in connection with the Agreement shall be resolved in the city and state in which Hotel is located (or the closest available location) using one arbitrator before JAMS or American Arbitration Association. The parties further agree that in any arbitration proceeding, they may conduct reasonable discovery pursuant to the arbitration rules, and any arbitration award will be enforceable in State or Federal court. Litigation of disputes (if selected by the filing party) arising out of or in connection with the Agreement will be resolved in a court of competent jurisdiction in the city and state in which MOC is located (or the closest available State of Hawai`i location), and the parties expressly waive the right to a jury trial.

DISPUTES INVOLVING CREDIT CARD PAYMENTS: As a condition of MOC agreeing to accept your credit card as an approved form of payment for all Master Account charges, you agree that any dispute that you may raise with respect to any Master Account charges must be addressed directly between you and MOC, and to work in good faith to resolve any such disputed invoices in a timely manner. Any dispute that cannot be timely resolved to the mutual satisfaction of the parties shall be resolved in accordance with the dispute resolution provisions as contained in this Agreement.

IMPOSSIBILITY: Neither party shall be responsible for failure to perform the Agreement if unanticipated circumstances beyond their control, including, but not limited to; acts of God, terrorist attacks in the city in which MOC is located, or declared war in the country in which MOC is located, make it illegal or impossible for the Maui Ocean Center to execute the Reservation. The affected party may terminate the Agreement without liability upon providing written notice to the other party within ten (10) days of any such occurrence.

LAW COMPLIANCE: You represent and warrant that you are currently not on the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) List of Specially Designated Nationals and Other Blocked Persons (including terrorists and narcotics traffickers) (the "OFAC List"), nor on any similar restricted party listings, including those maintained by other governments pursuant to applicable United Nations, regional or national trade or financial sanctions. If you are added to any such restricted party list prior to your arrival date, then you must notify us immediately. The OFAC List can be found by visiting http://www.treasury.gov/resource-center/sanctions/SDN-List/Pages/default.aspx. We may cancel your Event and this Agreement without liability if we reasonably believe it is necessary to do so in order for us to comply with our obligations under such applicable laws or regulations, including if you are added to any restricted party listings as described in this section.

PROMOTIONAL CONSIDERATIONS: We have the right to review and approve any advertisements or promotional materials in connection with your Event that specifically reference the Maui Ocean Center and/or its logo.

PROPERTY: To the fullest extent permitted by law, we are not responsible for any loss or damage to property belonging to Client, Guest and/or your attendees, and do not maintain insurance covering it.

SUCCESSORS AND ASSIGNS: The commitments made by each party will be binding on their respective successors and assigns. You not may assign the Agreement or any rights hereunder without prior written approval of MOC.

MISCELLANEOUS: Any provision in the Agreement that is held to be illegal or unenforceable in any jurisdiction shall be ineffective to the extent of such illegality or unenforceability without invalidating the remaining provisions, and any such illegal or unenforceable provision shall be deemed to be restated to reflect as nearly as possible the original intentions of the parties in accordance with applicable law. Either party's failure to enforce any term or condition of this Agreement does not waive that party's right to enforce that or any other term or condition at any time.
